The GiT's stunning interior ...

## Stand out from the crowd

Nothing stands out more than style and sophistication. The GiT range provides style, class and leading edge design in abundance. Eyes will follow your every move as you travel in sublime style, the large alloy wheels reflecting the shine from the moonlit sky while the hi tech audio system turns heads from every direction, ensuring you are not only noticed but also heard.

... practical and breathtaking.

#### Let me entertain you...

Entertain your friends in style, the GiT's modern furniture and stylish fittings will amaze everyone who enters inside. Luxury soft furnishings and elegant leather trim provide the feeling of expensive luxury. The GiT interior is designed to satisfy the eye and stir the soul.

#### Comfortable and equipped...

Lie back in comfort on your bed whilst listening to your music or watching your favourite programme on the LCD TV. Relax in silence and let the stylish LED ceiling lights calm your body. The GiT is true luxury that will satisfy not only your body but also your mind.
